OFFICE OF LEGISLATIVE COUNSEL

Monday - 11 May 1964

- 25X1 1. [] Met with Mrs. Jean Allan, Personal Secretary to Senator Eastland, who advised that the Senator is away from the city and will not be able to come out to the Agency headquarters during the early part of this week. It was suggested that she would discuss the matter again with Senator Eastland and would advise us when the Senator might be available. I thanked her and told her we would await the Senator's pleasure.
- 25X1 2. [] Returned to the Moss Information Subcommittee the hearing transcripts of 28 and 29 April which were loaned for our review.
- 25X1 3. [] Left with David Martin, in the office of Senator Thomas J. Dodd, a copy of an article entitled "Imperialist Intelligence and Foreign Policy" from the March 1964 issue of **INTERNATIONAL AFFAIRS**.
- 25X1 4. [] Talked with Senator Saltonstall and let him read the paper dealing with the main points in the letter to Arends from Norton and Co. concerning revelations about CIA in the book, **THE BAY OF PIGS**. The Senator did not wish to keep this type of material but expressed his appreciation at being able to review it. He thought this paper should be retained since possibly at our next Subcommittee meeting the subject might be brought up. He also stated he planned to take no action on this since he assumed that Mr. Arends had this in hand. I indicated that Mr. Arends had written a letter in response but did not go into the substantive issues. The Senator was grateful for our efforts.
